# Growing to Give

We apologise for the short notice of this conference – it seemed too good an opportunity to miss!

We wanted to do a follow up day on the topic of narcissism and how we can be needy rather than giving, and as this is an aspect of Mario's Doctorate thesis we are in for a feast!

Really, if we are honest, this day is for all of us – how easily we retreat back into ourselves when life doesn't go our way. We need deep healing at so many levels.

We will open with worship then each session will include teaching and ministry. We will end with the Lord's Supper together.

So do join us for yourself or come as a fellowship group / pastorate and then you can pray back over the topics together.
